ORDER REGARDING SHORT FORM
DISCOVERY MOTIONS

Case No. 2:15-cv-00828-DN-BCW

District Judge David Nuffer

Magistrate Judge Brooke Wells

Plaintiff has filed four discovery motions based upon the short form discovery motion procedure.¹ Plaintiff seeks expedited treatment of these motions. In accordance with the short form discovery motion procedure the court sets forth the following briefing schedule:

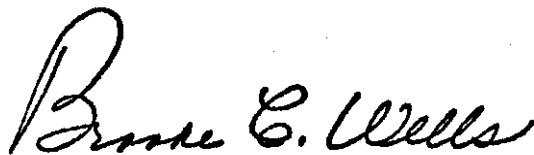

Any opposition to each of the respective motions is to be filed on or before July 7, 2016.

Any reply is to be filed on or before July 12, 2016.

The court has briefly reviewed the motions and it appears one of the chief complaints in the motions is the failure of parties to sign and supplement discovery responses. All parties are ORDERED to use their best efforts to resolve issues such as failing to sign discovery responses. The parties are to notify the court of the resolution of any such issues on or before July 15, 2016.

IT IS SO ORDERED.

DATED this 27 June 2016.
