Greetings from RaPower3!

Events at RaPower3 are progressing rapidly on a daily basis at the Delta site. Right now our systems, yours & mine, are significant as they are the units that the whole world will see demonstrating IAUS's revolutionary technology for alternative energy. Next year, when IAUS signs contracts amounting to \$1Billion, our units will have done their job, served their intended purpose, but will become insignificant in comparison.

There are 4 revenue streams that are initiated with enrollment into RaPower3: 1. Tax Benefits; 2. Commissions; 3. 35 year's of Rental Income; & 4. Bonuses. You have already experienced the generous tax benefits made available via RaPower3 purchases and have received your IRS return.

As agreed, full down payment on the systems you used this year to zero out your taxes would be made from the money you received with your return. That payment was due on or before June 30.

Rental income & Bonus payments are expected to begin soon. You will only receive payments for those systems you have completed your full down payment on. For example, M.J. enrolled with a 10% down payment for 10 systems this year, \$1,050. He is now pas due in the amount of \$9,450 to fulfill his total down payment. When rental and bonus payments are made, he would receive a check for \$150, rental & \$2,000 Bonus because he has only pain in \$1,050, the full down payment for just one system. If he were up to date on his payments, he would receive \$1,500 rental income & \$20,000 in Bonus money.

For over half of you, your payment is now long past due. If you filed an extension to the OCT15th deadline, we understand that. You will receive your IRS refund in the next couple weeks and be able to make your payment before Thanksgiving. If payment is not received by

DEC 31, you will be guilty of income tax evasion and subject to fines and penalties imposed by the IRS. America's most famous gangster, Al Capone, did not go to jail for murder or bootlegging. He was jailed for income tax evasion. Don't be like Al Capone. Also remember, if you have made sales to people in your business and have a downline and they have not made their payment, you are due a 10% commission when their payment is made. You need to check to see if they have payments to make.

If you need help figuring your payment, please give me a call: 503.312.2138. I will step you through it. Make you check out to RaPower3 LLC and mail it to

For this or any other questions you may have, please give me a call. Remember, we have just 69 days until qualifying for the \$2,000 Bonus disappears forever. I will do whatever it takes to help you qualify to be a \$Millionaire on or before DEC 31. This is your once in a lifetime shot at making it big. Each day is worth \$15,000 to you. How often do you have a chance at making \$15K/day?
