I have great news. It's a go!

I have attached the correct forms along with an instructional page for filling those out. Let's set a time on Monday for filling out the forms properly and sending them in.

Be11!

Coach Freeborn,

I had the pleasure of visiting with you at the end of the summer in regards to the BFS stimulus plan. I am not sure how many units are still available, if any. I had mentioned that my wife and I would be interested in investing in a unit and putting the \$30,000 into a savings fund for my 4 year old son with special needs. We would love to be able to do that at this time if still possible. Please let me know if this offer still exists and what steps I need to take to get the ball rolling. Thank you very much for taking the time to visit our community and providing this opportunity.
