TO ROGER FREEBORN-ESTACADA, OREGON:

This e-mail is a follow up to yesterday's (6-1-2013) termination notice by phone.

You are hereby terminated from Rapower-3 as an independent contractor, network marketer and/or sales representative. You may not represent yourself as a sales person for any of the technologies of IAS (International Automated Systems) in any way shape or form. This termination is effective immediately as of 6-1-2013. You must cancel all meetings and representations for any and all sales with individuals, entities or groups.

You will continue to get paid commissions, any potential rental fees and/or any potential bonuses earned prior to 6-1-2013.

We know that you have an extensive e-mail list of many RaPower3 team members. You cannot e-mail our RaPower3 team members anymore. Any attempt to verbally or in writing slander IAS or it's owners and/or officers; or slander RaPower3 or it's owners or representatives will be taken to our attorneys. We will take you to court if you act in a libelous way against us.

Sincerely,

Greg Shepard
