Dear Preston Olsen:

This letter is regarding the "Alternative Energy Systems" that you purchased from RaPower3 LLC. RaPower3 put into service your equipment for 15 solar lenses on or before December 31, 2013. This will qualify you for the Internal Revenue Service solar energy tax credit.

(However for your personal information, Section 103 Div.B Energy Credit (code Sec.48), "For projects whose construction time is expected to equal or exceed two years, the Credit may be claimed as is placed in service.")

We appreciate your business and look forward to the opportunity to work with you to help solve our nation's energy needs. If you have any questions you may correspond with us at the below address.

Respectfully Yours,

RaPower3 LLC
