Everyone!

Great news from Greg RE the RA3 program.

Share the program with others and receive a great bonus and they receive a huge benefit.

I find it very interesting that we have \$6 Million to award to coaches, teachers and programs, and people are not lined up to participate.

This month I have qualified for more in bonus money that I make in a year working. You can too. All's you have to do is to share the Rapower3 story, and Greg and I will help you build your business.

Participating in this program will empower me to be debt free in less than two years. HEY! I can then call Dave Ramsey and tell him how I did it, right?

Seriously, putting the program to work for you can achieve the same results, and we will help.

I will also be sending out a video I shot with Neldon while I visited the Delta site last week.

Be!!

RF

TO ALL: A lot of great things are happening as far as progress in Needles and Delta with projects and the technology. More about that next week, but right now we are able to offer a very generous bonus not only for the sales of new systems, but for those of you who purchased systems this year. This is very significant money, so read carefully the attached Bonus/Referral Fee contract.

If you purchased systems this year, fill out the required info and send it to me at the address below. If you intend to purchase in the near future, make sure as you do, you fill out the paper work and send it to me BY MAIL at my address below. ANYONE WHO PURCHASED IN 2010 OR WILL PURCHASE SYSTEMS WILL RECEIVE A \$6,000 BONUS PER SYSTEM. This \$6K figure is based on a

percentage of IAUS gross revenues. It maxes out at a billion dollars which could happen this year.

So, purchase ten systems for \$10,500 and get \$15K back in tax benefits and \$60,000 IN BONUS MONEY.

But Wait! That's not all. If you, as a sponsor, sign up someone or did sign someone up, you will receive \$3,000 per system in addition to your commission. Therefore, in the above example, let's say Bill, the sponsor, introduces RaPower3 to John, and John purchases ten systems. Bill gets \$30K in bonuses plus the commission, and John gets his tax benefits plus \$60K in bonuses.

If you get a non-profit organization to participate like Roger and Lynette, then the six percent is split evenly between the purchaser and the non-profit organization.

Great opportunities. I hope you can take advantage. There are meetings this week that have been set up by some of you. I will be at those meetings to help you get your bonuses. I will do that for the rest of you as long as time and my energy lasts.

PLEASE NOTE: THIS IS A VERY LIMITED SITUATION. THIS BONUS SYSTEM WILL PROBABLY ONLY LAST A MONTH OR TWO. THERE ARE LESS THAN A THOUSAND SYSTEMS AVAILABLE AND WHEN THEY RUN OUT---WE'RE DONE.

Regards, Greg
