Welcome to the Team!

We are so very excited that you have joined the RaPower3 Team to bring affordable clean energy, air and water to Utah and the Nation. We are currently in phase one of our solar development construction in Delta, Utah. This first phase will bring 10 MW of power to the state. We will send out updates of our progress as we go so please stay tuned.

Have you Paid?

We are so glad that you have decided to be a proud owner of RaPower3 Solar Lenses with your purchase in December. To make it official, you must mail in your down payment check on your solar lenses if you haven't already done so.

Please mail your check to:

RaPower3
2730 W 4000 S
Oasis, UT 84624

YOUR CRUCIAL TIMELINES:

January

You must send us a check for \$650 per solar lens sometime in January. We do not accept credit cards - only checks. Always make checks out to RaPower3 and mail to:

RaPower3
2800 West 4000 South

Shepard_Greg-03594
Shepard_Greg-03594

Delta, UT 84624

March-April

Do your 2016 taxes and get a refund or tax savings based on your solar energy tax credits.

June-July

Get another refund from your 2015 amended taxes.

All of 2017

Plan for your taxes early. Buy solar lenses periodically, once a month or instead of paying quarterly taxes. Look for specials and new products at rapower3.com. Come down to Delta on an organized tour and see your solar lenses up on a 50-foot tower. Watch for info on getting utah state tax benefits.

Best Strategy for Right Now

Start ordering your solar lenses for 2017. There is no advantage to waiting until the last minute. Talk to others and get them enrolled for our generous 7% commissions. Then, if they get someone, you get another 7% commission. Remember, we are licensed in all fifty states, so anyone can do this. We have 1,400 clients from all parts of the country.

Tours Available

We conduct regular tours of our solar site.

The next scheduled tour is on Thursday, February 23, 2017.

Please RSVP for this tour by emailing greg@rapower3.com.

We can also schedule private tours for larger groups or for individuals looking to buy \$50,000 in lenses or more.
