Tarika,

Glenda Johnson would need an email from you stating that you do not want to stay in the RaPower3 program. By doing this it means you give up your \$24,000 dollar bonus money and your residual income of \$33,480. This totals \$57,480. Your email would mean that you cannot try to come back to RaPower3 for this money.

Good luck to you and I wish you the best.

Sincerely,

**Nicholas Kontos**

Nicholas,

I will need an email stating that Tarika does not want to stay in the program. I will then take Tarika out of the system. I would like Tarika's signature and yours so that you know that it was done.

Thanks Nicholas for all your diligence,  
Glenda

> Dear Greg Shepard, Tarika Sands is no longer interested in RaPower3. The reason is she says is that she spoke with a CPA and the IRS and they according to what she said is not allowed to put 25 allowances on her W-4 with her income that she makes. I told her then that she can switch her W-4 back and pay with her own money but she does not want to do that now because she is now skeptical of the tax credits also now. As I tried again to explain the allowances and tax credits she did not want to hear it because of what the CPA told her and the IRS according to how she asked the question.
