### Getting a 60% Return\*

- Pay \$650 per solar lens this December.
- Get \$1,050 back per solar lens next April (Tax Credit).
- You Make \$400 per solar lens. That's a 60% return!
- Plus, you get \$15 per lens per year in net rental fees for 30 years. A 2.3% return per year (based on the \$650).

\*This does not include any additional money you make from commissions.

## Solar Ordering

### Available Products

You can currently buy [Commercial Solar Lenses](#) or a [Home Renewable Energy System](#).

### Purchase Instructions

Please determine the number of lenses you wish to purchase before starting. Please refer to your sponsor or our [Purchasing FAQ](#) page if you need help determining how many lenses you should purchase or have trouble navigating your sponsor's web store. For tax advice, please seek council from a qualified tax preparer. General tax information can be found on our [Tax FAQ](#) page. Please see terms and conditions below

### For New Customers

RaPower3 Solar Lenses can be purchased from your sponsor's personal web-shop. If you do not have a sponsor, or you are having trouble connecting to your sponsor's web-shop, please contact Greg Shepard at [greg@rapower3.com](mailto:greg@rapower3.com) and 801-699-2284 or [matt@rapower3.com](mailto:matt@rapower3.com) and 801-651-2183. If you have a sponsor but do not know your sponsor's web-shop address you may look it up [HERE](#).

Web-shop Lookup

### For Existing RaPower3 Customers

Existing RaPower3 Team Members may buy additional lenses by logging into their own web-shop. Once you are logged into your backoffice, click the HOME tab at the top of the page to get to your web store.

### Details

When you purchase RaPower3 Solar Lenses, you sign an Equipment Purchase Agreement with RaPower3 which includes 82% financing on your solar lens purchase and a small down payment. Please review the [Terms & Conditions](#).

- **Full Purchase Price:** \$3,500 per solar lens (You get a 30% tax credit equaling \$1,050, based on this purchase price.)
- **Down Payment:** \$650
- **Balance Due:** \$2,850
- **Financing Terms:** Annual payments of \$135 per solar lens are required for a term of 30 years. However, you don't make the annual payments, your Operating & Maintenance Company does it for you (see Terms & Conditions below). You never have to take another dollar out of your wallet after the

original \$650 per lens is paid!

- **Superior Technology:** No other solar company or energy company can make this kind of deal work. It's all because of our superior cost effective technology.
