The credit for the value of the Alternative Energy System shall be given if Purchaser voluntarily relinquishes the Alternative Energy System, whether the Alternative Energy System is re-sold by Seller or not.

6. Seller's Rights upon Default. If Purchaser fails to pay any Annual Installment or any portion thereof when due or within the thirty (30) days grace period thereafter, or if Purchaser becomes subject to any state or federal insolvency, bankruptcy, receivership, trusteeship or similar proceeding, or if Purchaser shall default in any other term of this Agreement, Seller may immediately terminate this Agreement by notice in writing to Purchaser and repossess the Alternative Energy System and all of the components thereof as stated above. In such event, Purchaser shall remain liable for all sums then due and unpaid, less the credit for the value of the repossessed Alternative Energy System as described above, plus a reasonable amount for attorneys' fees and such expenses as may be expended in the repossession of the
