You have. About how many times? 2 A. Twice, that I recall. 3 Q. Okay. So you probably know some of these 4 rules, but I'm going to go over them again just to 5 refresh your recollection. 6 A. Okay. 7 Q. The biggest thing to remember here is that 8 the court reporter here to my left is probably the 9 most important person in the room, because she is 10 recording everything that is said today. And all of 11 our goal here is to get an accurate account of your 12 recollection of the facts of this case. So with that 13 in mind, again, I'm just going to run through some of 14 the ground rules. 15 This deposition will be taken according to 16 the Federal Rules of Civil Procedure and the local 17 rules of the District of Utah. 18 We will likely mark some exhibits today. 19 At the end of the deposition the court reporter will 20 take the exhibits. So if I give you a piece of paper 21 that's an exhibit, I'd just ask you to keep it at the 22 table. 23 A. Okay. 24 Q. I'll be asking you a series of questions 25 today. Like I said earlier, I need you to speak</p>

6	<p>1 loudly enough so that the court reporter can get down 2 your answer to my questions. To that end, please let 3 me finish a question before you start answering. 4 Just allow for a short pause in between and then give 5 me the answer to the question. It's important that 6 you give verbal responses. 7 A. Yes. 8 Q. No uh-huhs or head shaking. I see you're 9 shaking your head, so I'm going to ask you, do you 10 understand? 11 A. Yes. 12 Q. We also have a tendency in casual 13 conversation to speak over one another. So, again, 14 if I ask you a question, just let me finish the 15 question before you answer. Do you understand? 16 A. Yes. 17 Q. Okay. Your obligation today is to give 18 full and complete answers. Do you understand that 19 obligation? 20 A. Yes. 21 Q. My obligation to you is to ask 22 understandable questions. That means that if you 23 don't understand a question or you would like some 24 further elaboration on the question, just tell me and 25 I will do my best to ask the question in a way that</p>	8	<p>1 that means if you want to take a break and there is a 2 question pending, answer the question, tell me you 3 would like to take a break or -- the same thing goes 4 if you would like to consult with Mr. Benson, again, 5 just not while a question is pending. Do you 6 understand? 7 A. Yes. 8 Q. Mr. Oveson, we're here today to get as 9 accurate of a record as we can as to your 10 recollection of the facts of this case, therefore, I 11 have to ask you a few questions. 12 Is there anything that would prevent you 13 from understanding and answering my questions today? 14 A. No. 15 Q. Are you taking any medications or drugs 16 that would interfere with your memory? 17 A. No. 18 Q. Have you had anything alcoholic to drink 19 in the last eight hours? 20 A. No. 21 Q. Are you feeling sick or unwell today? 22 A. No. 23 Q. Is there any reason you can think of why 24 you will not be able to answer my questions fully and 25 accurately?</p>
7	<p>1 you can understand and provide your response. Do you 2 understand? 3 A. Yes. 4 Q. There may be some objections to my 5 questions today. The objections are being made for 6 purposes of the record. I'd ask you to answer the 7 question unless your attorney sitting to your left, 8 Mr. Benson, directs you not to answer the question. 9 Do you understand? 10 A. Yes. 11 Q. Sometimes in depositions you will give an 12 answer to a question and then later on during the day 13 you'll realize that you didn't give as complete an 14 answer as you would have liked or there's -- you 15 realize that you testified incorrectly previously. 16 If that happens, you just let me know, tell me what 17 part of the record you would like to clarify and 18 we'll give you an opportunity to do that. Do you 19 understand? 20 A. Yes. 21 Q. We'll have the opportunity to take breaks 22 during the deposition. If you feel the need that 23 you'd like to take a stretch break, use the restroom, 24 that's not a problem. The only thing I ask is that 25 you not take a break while a question is pending. So</p>	9	<p>1 A. No. 2 Q. We're going to start out with a few 3 questions about your background and how you came to 4 have some knowledge of the facts of this case. 5 Can you please state your name and address 6 for the record? 7 A. It's Kenneth Wayne Oveson. 2197 East 8 1160 South, Sandy, Utah 84092. 9 Q. And can you spell your name, please? 10 A. O-v-e-s-o-n. 11 Q. Are you married? 12 A. Yes. 13 Q. How long have you been married? 14 A. Close to 44 years. 15 Q. Okay. Any children? 16 A. Six. 17 Q. Okay. Are they all over the age of 18? 18 A. Yes. 19 Q. Can you walk me through your education, 20 starting with the end of high school? 21 A. I went to the University of Utah. I 22 graduated in December of 1973 with a bachelor of arts 23 degree in accounting. That's it. 24 Q. Okay. That was the end of your formal 25 education?</p>

10	<p>1 A. Yes.</p> <p>2 Q. Okay. And you said you have a bachelor of</p> <p>3 accounting?</p> <p>4 A. Yes.</p> <p>5 Q. Did you have a focus in your accounting</p> <p>6 degree?</p> <p>7 A. No.</p> <p>8 Q. Okay.</p> <p>9 A. It was just a general accounting degree.</p> <p>10 Q. Okay. And no other formal education after</p> <p>11 that?</p> <p>12 A. Just the continuing education that you</p> <p>13 have to take each year to maintain a license.</p> <p>14 Q. Okay.</p> <p>15 A. I did pass the CPA exam, and I am a</p> <p>16 certified public accountant.</p> <p>17 Q. When did you become a CPA?</p> <p>18 A. In July of 1976.</p> <p>19 Q. So it was a few years after you graduated</p> <p>20 from college?</p> <p>21 A. Yeah. You had to have two years'</p> <p>22 experience, and so it took me the time to -- to pass</p> <p>23 the exam and get the experience I needed for a</p> <p>24 license.</p> <p>25 Q. Okay. What was your first employment</p>	12	<p>1 time to another period of time. So it will say from</p> <p>2 January 1st of this year to December 31st of this</p> <p>3 year you had sales of this much, you had expenses of</p> <p>4 this much, you had net income of this much. Those</p> <p>5 were the basic ones. There are others, but those</p> <p>6 were the ones that I was preparing at that time.</p> <p>7 Q. Okay. All right. So you said you worked</p> <p>8 for your father. Was there a time that you stopped</p> <p>9 working for your father?</p> <p>10 A. Yes. I -- I left his employ because he</p> <p>11 was not a certified public accountant and I needed to</p> <p>12 get experience with a CPA firm. So I think it was --</p> <p>13 it will be 1974, I guess -- I think around June</p> <p>14 of 1974 I started work with a local accounting firm</p> <p>15 called Johnson Erickson. And I worked with Johnson</p> <p>16 Erickson for about two and a half years, and that's</p> <p>17 where I got the experience to -- and then I passed</p> <p>18 the CPA exam, got the experience. And it was one of</p> <p>19 the partners at Johnson Erickson that signed off for</p> <p>20 me to get my CPA license.</p> <p>21 Q. Where did you go after Johnson and</p> <p>22 Erickson?</p> <p>23 A. After Johnson and Erickson, my father</p> <p>24 talked me into coming back. And so I actually</p> <p>25 established my own firm as a sole proprietor. My dad</p>
11	<p>1 after graduating from undergrad?</p> <p>2 A. First -- first job I had was actually with</p> <p>3 my father. My father had a bookkeeping and</p> <p>4 accounting practice. He was not a CPA. But I worked</p> <p>5 for him doing bookkeeping and tax return preparation.</p> <p>6 Q. What do you mean by the term</p> <p>7 "bookkeeping"?</p> <p>8 A. Bookkeeping is mostly just taking the</p> <p>9 information that a client gives you and entering it</p> <p>10 into books. Back then it was not computerized, so it</p> <p>11 was general ledgers, sales ledgers, disbursement</p> <p>12 ledgers and just entering data into the ledgers. And</p> <p>13 then I did prepare financial statements for clients.</p> <p>14 They were mostly small business clients.</p> <p>15 Q. What's a financial statement?</p> <p>16 A. A financial statement -- there's basically</p> <p>17 two that most people use, a balance sheet and an</p> <p>18 income statement.</p> <p>19 A balance sheet is basically just a</p> <p>20 photograph of a client's business at a particular</p> <p>21 time. So it will list assets, liabilities, equity at</p> <p>22 a moment in time, usually year-end, like</p> <p>23 December 31st.</p> <p>24 An income statement is a statement that</p> <p>25 says what the business has done from one period of</p>	13	<p>1 and I shared an office. We did keep our books</p> <p>2 separately. He had his practice, I had my practice.</p> <p>3 And so I -- I worked for about 13 years as a sole</p> <p>4 proprietor, trying to build up clientele. So for 13</p> <p>5 years I did that.</p> <p>6 Q. About when did you -- withdrawn.</p> <p>7 When you were a sole proprietor, what</p> <p>8 types of services did you provide?</p> <p>9 A. Basically, the same thing. I did tax</p> <p>10 preparation. I did also tax consulting for clients.</p> <p>11 I did accounting. Because I was a certified public</p> <p>12 accountant, I could issue reports on financial</p> <p>13 statements. So I did issue what in accounting terms</p> <p>14 are called compilations. And I did a couple of</p> <p>15 reviews. I never did any audits as a sole</p> <p>16 proprietor.</p> <p>17 Q. Okay. We're going to unpack that a little</p> <p>18 bit. When you say "tax preparation," what does that</p> <p>19 mean?</p> <p>20 A. Basically, just taking the information</p> <p>21 from clients and preparing a tax return to be filed</p> <p>22 with the federal government. A lot of our clients we</p> <p>23 did both the bookkeeping, where we took their</p> <p>24 information and summarized it in ledgers, and then</p> <p>25 transferred that information to the tax returns and</p>

<p style="text-align: right;">14</p> <p>1 prepared the tax returns for submission to the 2 federal and state governments. 3 Q. And you said tax consulting? 4 A. Yes. I -- with my clients I would 5 sometimes work with them on different things that 6 they were doing. I did several buy, selling 7 businesses. I consulted with clients as far as what 8 would happen if they sold their business, what the 9 tax consequences would be. If they did it this way, 10 if they did it that way, which would be the best way 11 for them to -- to do that. So I guess maybe tax 12 planning, tax consulting. Just advising clients on 13 the tax consequences of whatever it was they were -- 14 they were doing. Depending on the clients -- 15 different clients had different needs. So I was 16 involved with business sale and acquisition. I was 17 involved with like-kind exchanges, capital gains, 18 just -- sale of assets, those types of things. 19 Q. Okay. And then you mentioned a portion of 20 your services was accounting? 21 A. Yes. Accounting involves bookkeeping, but 22 it also involved taking it a little further. Some 23 clients needed to have financial statements. 24 In the accounting world we have three 25 types of statements we do. We do compilations,</p>	<p style="text-align: right;">16</p> <p>1 letter to whoever it was that owed money and we would 2 say, "Does this company really owe you this much 3 money?" 4 Okay. I never did audits while I was a 5 sole proprietor. I did reviews and I did 6 compilations. And so I did issue opinions. 7 Sometimes those opinions would go to third parties, 8 such as banks, for loans and things like that. 9 So that -- that would be where accounting 10 would differ from bookkeeping. 11 Q. Why is it necessary to verify a company's 12 financial statements? 13 A. It depended on the user. Sometimes the 14 users would ask for specific things. If they were 15 planning to make a loan to the client, they'd want 16 to -- they are going to be relying on the financial 17 statements to see what condition the company is in, 18 and so they are going to want to know somebody 19 besides the company looked at this and that they can 20 rely on those financial statements, because they are 21 going to be making decisions based on what those 22 financial statements say. 23 Q. Is it necessary for a company's financial 24 statements to reflect the positions that are taken on 25 a tax return?</p>
<p style="text-align: right;">15</p> <p>1 reviews and audits. 2 Compilation is basically where we just 3 take the taxpayer -- or the client's information, put 4 it together in a balance sheet and income statement. 5 Sometimes it included a general ledger. Sometimes it 6 included a statement of changes in financial 7 position. And then we would issue an opinion, which 8 would say, basically, "We've compiled these financial 9 statements and, based on our compilation, they're 10 correct." 11 A review takes it a little further. In a 12 review you have to verify some of the information. 13 For example, reconcile the bank account and review 14 the bank statement. Possibly review the accounts 15 receivable, the accounts payable. A little more 16 assurance that the financial statements are correct 17 and state what the condition of the business is. 18 An audit goes further. An audit is where 19 you contact third-party people and verify the 20 information that's on the financial statements being 21 correct. Such as we would have to contact the bank. 22 Rather than just taking the actual bank statement, we 23 would contact the bank and say, "Is this really how 24 much money he's got in the bank?" 25 Accounts receivable, we would send a</p>	<p style="text-align: right;">17</p> <p>1 A. It -- I guess the answer to that is yes 2 and no, because financial statements, according to 3 generally-accepted account principles, can differ 4 from tax returns, just because some of the things 5 that are allowed under the generally-accepted 6 accounting principles are different from those that 7 are allowed under tax, and vice versa. Some of the 8 things that are allowed under tax are not allowed 9 under financial statements. So they can differ, yes. 10 Q. Do you have experience in determining when 11 they can differ? 12 A. Yes. 13 Q. Okay. We are going to come back to that. 14 All right. After you were a sole 15 proprietor, what did you do next? 16 A. Okay. Then I was invited to join a firm. 17 It was called Stayner, Fitzgerald, Vance and Call. I 18 was actually a friend of Fitzgerald, Ken Fitzgerald. 19 He and I grew up in the same neighborhood and -- and 20 Kent invited me to come and join their firm. And so 21 it was 1990, I believe, I left the office that my 22 father and I shared and joined Stayner -- it 23 eventually became Stayner Fitzgerald, but at the time 24 it was Stayner, Fitzgerald, Vance and Call. 25 Q. Okay.</p>

18	<p>1 A. And I worked there for seven years.</p> <p>2 Again, I did accounting work and tax work. I was</p> <p>3 primarily a tax accountant.</p> <p>4 Q. When you say "tax accountant," what does</p> <p>5 that mean?</p> <p>6 A. Well, CPA firms now -- firms generally</p> <p>7 divide the work that they do into audit work or</p> <p>8 assurance work and tax work. And it's just that</p> <p>9 the -- the world has become so complicated, it's kind</p> <p>10 of hard for one person to keep up on all of the</p> <p>11 issues in the audit world and all of the issues in</p> <p>12 the tax world. So we primarily kind of worked -- we</p> <p>13 either worked in the tax department of a firm or</p> <p>14 worked in the audit department of the firm.</p> <p>15 Now, Stayner Fitzgerald, they were another</p> <p>16 firm that really did not do audits. They did reviews</p> <p>17 and compilations and tax work. And so, again, at</p> <p>18 Stayner Fitzgerald I was primarily involved in the</p> <p>19 same thing, doing accounting work, preparing</p> <p>20 financial statements and preparing tax returns. My</p> <p>21 work there was primarily as a -- as a tax preparer,</p> <p>22 and that's -- that was -- I was there for about seven</p> <p>23 years.</p> <p>24 Q. Okay. Can you give me a rough idea of the</p> <p>25 percentage of your practice that was tax versus</p>	20	<p>1 involved in the audit side. I was in the tax side.</p> <p>2 So I was -- I was a tax partner with Mantyla</p> <p>3 McReynolds.</p> <p>4 Q. So you started out as a partner?</p> <p>5 A. I -- no. The first year I was there I was</p> <p>6 just a manager. After I had been there a year, I</p> <p>7 guess after they decided I was okay, then they</p> <p>8 offered me a partnership and I was a partner after</p> <p>9 the first year.</p> <p>10 Q. Okay. Were you an equity partner?</p> <p>11 A. Yes.</p> <p>12 Q. So around 1998 you became a partner in</p> <p>13 Mantyla McReynolds?</p> <p>14 A. Yes.</p> <p>15 Q. Okay. And it sounds like your practice</p> <p>16 was exclusively on tax?</p> <p>17 A. Tax, and I still did a fair amount of</p> <p>18 accounting also. I would review the staff work, the</p> <p>19 accounting -- the financial statements the staff</p> <p>20 prepared, and then review the tax returns. But it</p> <p>21 was primarily tax work that I did.</p> <p>22 Q. When you say "accounting," what do you</p> <p>23 mean by that?</p> <p>24 A. Again, preparation of financial</p> <p>25 statements, balance sheets and income statements. A</p>
19	<p>1 audit?</p> <p>2 A. Tax versus audit? Yeah, it was a hundred</p> <p>3 percent tax, zero percent audit.</p> <p>4 Q. When you say "tax," you mean preparing tax</p> <p>5 returns?</p> <p>6 A. Yes.</p> <p>7 Q. So now we are through 1997. Where did you</p> <p>8 go after that?</p> <p>9 A. That was when I was invited to join</p> <p>10 Mantyla McReynolds. My brother was a partner at</p> <p>11 Mantyla McReynolds. He first mentioned it to me,</p> <p>12 that that might be a good place to work. I met with</p> <p>13 Don Mantyla and Ken McReynolds, and they made an</p> <p>14 offer for me to leave Stayner Fitzgerald and join</p> <p>15 them. And so I joined them in 1997. And I retired</p> <p>16 from Mantyla McReynolds October 15th of 2014.</p> <p>17 Q. When you joined Mantyla McReynolds in '97,</p> <p>18 what was your position?</p> <p>19 A. Again, I was a tax person. Mantyla</p> <p>20 McReynolds did do audits, however, I was never</p> <p>21 involved with any audits at Mantyla McReynolds. I</p> <p>22 better restate that. I did -- there is a part of the</p> <p>23 audit where you have a tax provision in the audit,</p> <p>24 and I did review the tax provisions for some audits.</p> <p>25 But as far as actually doing an audit, I wasn't</p>	21	<p>1 lot of the clients at Mantyla McReynolds, we did both</p> <p>2 the accounting work and the tax work.</p> <p>3 Now, sometimes when it came to accounting</p> <p>4 work, we actually took the source documents and</p> <p>5 prepared financial statements. A lot of the time</p> <p>6 that clients had in-house accountants, they would</p> <p>7 send us their financial statements, we would review</p> <p>8 those, make adjusting entries and finalize the</p> <p>9 financial statements. And then those financial</p> <p>10 statements were used to prepare the income tax</p> <p>11 returns.</p> <p>12 Q. Understood.</p> <p>13 A. But mostly it was businesses where we</p> <p>14 would prepare the business re -- business financial</p> <p>15 statements and then the business tax return.</p> <p>16 Q. Thank you.</p> <p>17 Would it be fair to characterize your time</p> <p>18 at Mantyla McReynolds as a hundred percent related to</p> <p>19 preparing financial statements and -- that were used</p> <p>20 to prepare tax returns?</p> <p>21 A. Yes. Yes, I never performed an audit --</p> <p>22 Q. Okay.</p> <p>23 A. -- at Mantyla.</p> <p>24 Q. Mr. Oveson, during your time as a partner</p> <p>25 at Mantyla McReynolds, did you ever have occasion to</p>

22	<p>1 represent a client before the IRS?</p> <p>2 A. Yes.</p> <p>3 Q. About how many times?</p> <p>4 A. Oh, I really don't remember. Probably one</p> <p>5 to two times a year, so maybe 25 or 30 times.</p> <p>6 Q. Okay. You are an enrolled agent?</p> <p>7 A. No.</p> <p>8 Q. Oh, you're not?</p> <p>9 A. No.</p> <p>10 Q. Were you an enrolled agent?</p> <p>11 A. No.</p> <p>12 Q. Okay. Mr. Oveson, besides the employment</p> <p>13 that you've just told me about, have you ever had any</p> <p>14 other employment?</p> <p>15 A. Yes. For about 16 years I was an adjunct</p> <p>16 professor at Westminster College.</p> <p>17 Q. And what did you teach?</p> <p>18 A. Tax.</p> <p>19 Q. Where is Westminster College located?</p> <p>20 A. Right up there on the hill. It's, like,</p> <p>21 13th East and 17th South.</p> <p>22 Q. So it's here in Salt Lake City?</p> <p>23 A. It's in here in Salt Lake, yes.</p> <p>24 MR. BENSON: The witness is pointing to</p> <p>25 the very nice view to the east that we have in this</p>	24	<p>1 I retired I had a contract where they paid me -- they</p> <p>2 are paying for a ten-year period, which, in effect,</p> <p>3 is buying my practice. And so when BDO Seidman came</p> <p>4 in in June of last year, BDO took over those</p> <p>5 payments. So I do receive a monthly payment from</p> <p>6 BDO.</p> <p>7 Q. Okay.</p> <p>8 A. But it's as deferred compensation. It's</p> <p>9 not for current services.</p> <p>10 Q. Mr. Oveson, do you recall what Mantyla</p> <p>11 McReynolds' business address was?</p> <p>12 A. One -- Gateway Number 5. We were</p> <p>13 Suite 200, but I'm not sure of the exact address of</p> <p>14 Gateway Number 5. I don't recall.</p> <p>15 (EXHIBIT 372 WAS MARKED.)</p> <p>16 Q. Mr. Oveson, you've been given a copy of</p> <p>17 what's been marked as Plaintiff's Exhibit 372. And</p> <p>18 you'll note at the bottom right corner there is a</p> <p>19 marking MM004317. And then on the second page it's</p> <p>20 MM004318. I'll represent to you that Mantyla</p> <p>21 McReynolds produced this document to the United</p> <p>22 States pursuant to our subpoena. And both Mantyla</p> <p>23 McReynolds and the United States have affixed a Bates</p> <p>24 number to these documents to assist in</p> <p>25 identification.</p>
23	<p>1 conference room.</p> <p>2 MR. MORAN: In Salt Lake will work.</p> <p>3 Q. Any other employment?</p> <p>4 A. No. Well, I -- I did speak at a couple of</p> <p>5 tax conferences, and I was paid for that.</p> <p>6 Q. Okay.</p> <p>7 A. That's all.</p> <p>8 Q. That's it?</p> <p>9 A. Yeah.</p> <p>10 Q. Okay. Mr. Oveson, when you were employed</p> <p>11 and a partner at Mantyla McReynolds, did you have an</p> <p>12 e-mail address?</p> <p>13 A. I did.</p> <p>14 Q. Do you recall what that was?</p> <p>15 A. Yes. It's ken@mmacpa.com.</p> <p>16 Q. Okay. Do you still have access to that</p> <p>17 e-mail address?</p> <p>18 A. No. When it became a BDO office, all of</p> <p>19 those e-mail addresses went way. So I lost access</p> <p>20 last June.</p> <p>21 Q. And are you employed by BDO Seidman now?</p> <p>22 A. No.</p> <p>23 Q. So when you retired, you retired from</p> <p>24 Mantyla McReynolds?</p> <p>25 A. I did. Now, I do receive a payment. When</p>	25	<p>1 But I'd like right now to direct your</p> <p>2 attention to the second page. At the top there is a</p> <p>3 signature block. Do you recognize that signature</p> <p>4 block?</p> <p>5 A. Yes.</p> <p>6 Q. What is it?</p> <p>7 A. That's my signature block.</p> <p>8 Q. Okay. And would that appear on e-mails</p> <p>9 that you sent?</p> <p>10 A. Yes.</p> <p>11 Q. Okay. We're going to come back to</p> <p>12 Exhibit 372 in a little while.</p> <p>13 A. Okay.</p> <p>14 Q. Mr. Oveson, in your tax practice at</p> <p>15 Mantyla McReynolds, did you have occasion to become</p> <p>16 familiar with a gentleman by the name of R. Gregory</p> <p>17 Shepard?</p> <p>18 A. Yes.</p> <p>19 MR. BENSON: I'd object to any questioning</p> <p>20 that relates to former clients that were represented</p> <p>21 by Mantyla McReynolds and Mr. Oveson. Yesterday</p> <p>22 there was discussion on the record about the</p> <p>23 applicability of a privilege. My understanding is</p> <p>24 that has been confined to 26 United States Code</p> <p>25 Section 7525. That is a disputed issue among the</p>

26	<p>1 parties. It's our understanding that former clients, 2 including Mr. Shepard, International Automated 3 Systems and any of the other defendants in this 4 action which are former clients of Mantyla 5 McReynolds, have not waived the privilege, therefore, 6 without a waiver and until a determination as to the 7 applicability of the privilege in that specific 8 federal statute is determined, I would object to the 9 line of questioning and advise my client not -- or 10 instruct my client not to answer any questions 11 relating to the representation of former clients of 12 Mantyla.</p> <p>13 MR. MORAN: And I will clean up one other 14 thing for the record as far as appearances. Counsel 15 for R. Gregory Shepard and Roger Freeborn, Mr. Donald 16 Reay, is not in attendance at this deposition.</p> <p>17 And I would also note, Mr. Benson is 18 referring to an objection that was made yesterday by 19 Mr. Austin, who is counsel for several defendants but 20 not including R. Gregory Shepard, who this question 21 pertains to.</p> <p>22 MR. AUSTIN: And I'll just clarify for the 23 record, we don't -- I don't represent Mr. Shepard in 24 his personal capacity, however, I do represent the -- 25 RaPower3 and IAUS, upon whose behalf everyone in this</p>	28	<p>1 subpoena from the United States? 2 3 A. Yes. 4 Q. Are you familiar with a gentleman by the 5 name of Neldon Johnson? 6 MR. BENSON: Same objection. Same 7 instruction. 8 Q. (BY MR. MORAN) Mr. Oveson, your attorney 9 has instructed you not to answer this question. Are 10 you going to follow his advice? 11 A. Yes, I am. 12 MR. MORAN: Can we go off the record? 13 (Discussion off the record.) 14 MR. MORAN: We'll go back on the record. 15 Q. Are you familiar with an entity known as 16 International Automated Systems, Inc.? 17 MR. BENSON: Same objection. Same 18 instruction to the witness. 19 THE WITNESS: Based on advice from 20 counsel, I will not answer that question. 21 Q. (BY MR. MORAN) Are you familiar with an 22 entity known as Bigger Faster Stronger? 23 MR. BENSON: Same objection. Same 24 instruction. 25 THE WITNESS: Based on advice from counsel, I will not answer that question.</p>
27	<p>1 case is aware Mr. Shepard, from time to time, may 2 have acted.</p> <p>3 MR. BENSON: If I could also add something 4 to the record. We have gotten no waiver from any of 5 these former clients, so we would treat them all in 6 the same fashion.</p> <p>7 Q. (BY MR. MORAN) Mr. Oveson, your attorney 8 has instructed you not to answer the question. I'm 9 going to ask you, are you going to follow his advice? 10 A. Yes. 11 Q. Okay. Mr. Oveson, are you familiar with 12 an entity known as RaPower3? 13 MR. BENSON: Same objection. Same 14 instruction, to the extent that it relates to the 15 representation of Mantyla's former clients. 16 If you are familiar with RaPower3, not a 17 former client, based on something other than your 18 employment at Mantyla, you can answer the question. 19 Otherwise, I would instruct you not to answer the 20 question. 21 THE WITNESS: Okay. RaPower3 I did not 22 know of until this case came up. That was the first 23 time I had heard of RaPower3, when I received the 24 subpoena and the information on this case. 25 Q. (BY MR. MORAN) You are referring to the</p>	29	<p>1 Q. (BY MR. MORAN) Are you familiar with a 2 gentleman by the name of Robert Rowbotham? 3 MR. BENSON: Same objection. Same 4 instruction. 5 THE WITNESS: Based on advice from 6 counsel, I will not answer that question. 7 Q. (BY MR. MORAN) Did there come a time when 8 Bigger Faster Stronger or any of its principals 9 became involved with a solar energy company or solar 10 lenses, to your knowledge? 11 MR. BENSON: Objection. Foundation. And 12 the same objection -- longer objection from earlier. 13 Same instruction not to answer. 14 THE WITNESS: And based on advice from 15 counsel, I will not answer that question. 16 Q. (BY MR. MORAN) Do you have any knowledge 17 of a purported solar energy site in or around Delta, 18 Utah? 19 MR. BENSON: Same objection. Same 20 instruction, to the extent it involves your 21 representation of any of these former clients we've 22 discussed. 23 THE WITNESS: Based on advice of counsel, 24 I will not answer that question. 25 Q. (BY MR. MORAN) Have you ever been in</p>

30	<p>1 Delta, Utah?</p> <p>2 A. Yes.</p> <p>3 Q. When were you in Delta, Utah?</p> <p>4 MR. BENSON: Same objection if it relates</p> <p>5 to your representation. If you vacationed at Delta,</p> <p>6 Utah, or you go there otherwise, I would instruct you</p> <p>7 to answer Mr. Moran's questions.</p> <p>8 THE WITNESS: I only passed through it a</p> <p>9 couple of times, and it would have been 15, 20 years</p> <p>10 ago.</p> <p>11 Q. (BY MR. MORAN) So none -- none in the</p> <p>12 last ten years?</p> <p>13 A. No.</p> <p>14 Q. Okay. Are you familiar with -- withdrawn.</p> <p>15 In your tax return preparation business at</p> <p>16 Mantyla McReynolds, are you familiar with any solar</p> <p>17 energy credits or depreciation associated with solar</p> <p>18 energy units that were taken on any of the</p> <p>19 individuals' or entities' tax returns that I've</p> <p>20 already mentioned?</p> <p>21 MR. BENSON: Same objection. Same</p> <p>22 instruction. To the extent the question seeks to</p> <p>23 elicit information as to his general familiarity with</p> <p>24 solar tax credits, I would instruct you to answer.</p> <p>25 I'm not sure as to if it was a two-part question or</p>	32	<p>1 the State Tax Commission, and they approve that based</p> <p>2 on the information we provide and they issue it.</p> <p>3 It's not really a certificate, but it's a form that</p> <p>4 they send you that allows you to take the credit.</p> <p>5 Q. So when you put a solar energy tax credit</p> <p>6 on a client's return, you expect to receive something</p> <p>7 from -- some sort of verification?</p> <p>8 MR. AUSTIN: Objection. Vague with regard</p> <p>9 to state or federal.</p> <p>10 MR. BENSON: Answer the question.</p> <p>11 THE WITNESS: Yes, there is some</p> <p>12 verification. There is -- there is information</p> <p>13 that's required from the contractor and there is</p> <p>14 information that's required from the State.</p> <p>15 Q. (BY MR. MORAN) Would you claim a solar</p> <p>16 energy tax credit without receiving that information?</p> <p>17 MR. AUSTIN: Objection. Vague with regard</p> <p>18 to the specific credit you are speaking of.</p> <p>19 MR. BENSON: You can answer.</p> <p>20 THE WITNESS: No, I would not.</p> <p>21 Q. (BY MR. MORAN) Why not?</p> <p>22 A. There's no verification that he's</p> <p>23 entitled. And the tax rules from the federal require</p> <p>24 you to receive certain information and to put that</p> <p>25 information on the tax return. And in the state of</p>
31	<p>1 not, but --</p> <p>2 MR. MORAN: It was a compound question,</p> <p>3 yes.</p> <p>4 THE WITNESS: Okay. I am familiar with</p> <p>5 the solar energy credit. I have -- I have deducted</p> <p>6 that on clients' tax returns. As to the clients</p> <p>7 involved in this action, I --</p> <p>8 MR. BENSON: And I would instruct you not</p> <p>9 to answer.</p> <p>10 THE WITNESS: I will not answer based on</p> <p>11 instruction from counsel.</p> <p>12 Q. (BY MR. MORAN) When a client claims solar</p> <p>13 energy tax credits, where do you get the information</p> <p>14 from?</p> <p>15 A. It comes from the client. It can come</p> <p>16 from several sources. The ones that I've been</p> <p>17 involved in, a contractor would have installed the</p> <p>18 solar energy and so they would have brought me the</p> <p>19 contract. And there's some specific forms that the</p> <p>20 contractor has to complete, stating that the system</p> <p>21 was installed and -- and the amount that it cost, and</p> <p>22 certifying that it was installed correctly and that</p> <p>23 it is operational.</p> <p>24 So -- in the state of Utah -- the State of</p> <p>25 Utah has a specific entity, I guess it would be, with</p>	33	<p>1 Utah it's actually more strict, because you do have</p> <p>2 to submit that information to the State Tax</p> <p>3 Commission and you do have to receive the approval</p> <p>4 back before you can actually take the credit. You</p> <p>5 have to have their approval.</p> <p>6 Q. (BY MR. MORAN) When you say you submit</p> <p>7 the information to the State Tax Commission, is that</p> <p>8 information submitted with the return?</p> <p>9 A. No. It's submitted separately. You --</p> <p>10 it's generally the contractor's receipt and the</p> <p>11 contractor -- there are a number of questions that</p> <p>12 the contractor has to answer. There is a form that</p> <p>13 he fills out. And so it's that information. You</p> <p>14 can't actually file the return and claim the credit</p> <p>15 until you receive that approval back from the State.</p> <p>16 Q. Okay. So you need to get the approval</p> <p>17 before you actually file the tax return?</p> <p>18 A. Yes.</p> <p>19 Q. Have you ever had a client who claimed --</p> <p>20 withdrawn.</p> <p>21 Are you familiar with a Schedule C?</p> <p>22 A. Yes.</p> <p>23 Q. What's a Schedule C?</p> <p>24 A. Schedule C is a business return for a sole</p> <p>25 proprietor, and it's like an income statement that</p>

34

1 **just shows a sole proprietor's income and expenses**
 2 **and the net income from the business. It's part of**
 3 **the individual income tax return.**
 4 Q. Have you ever had a client have a
 5 Schedule C with respect to a solar energy business?
 6 MR. BENSON: Objection to the extent that
 7 it calls for -- or seeks to elicit an answer relating
 8 to these former clients.
 9 Generally, if it does not, I would
 10 instruct you to answer the question.
 11 THE WITNESS: The answer is no, I
 12 haven't -- haven't had solar energy with a Schedule
 13 C.
 14 Q. (BY MR. MORAN) Have you ever had occasion
 15 to prepare a tax return for R. Gregory Shepard?
 16 MR. BENSON: Same objection. Same
 17 instruction.
 18 THE WITNESS: On advice of my counsel, I
 19 will not answer that question.
 20 Q. (BY MR. MORAN) Have you ever had occasion
 21 to prepare a tax return for Bigger Faster Stronger?
 22 MR. BENSON: Same objection. Same
 23 instruction.
 24 THE WITNESS: On advice from counsel, I
 25 will not answer that question.

35

1 Q. (BY MR. MORAN) Mr. Oveson, have you ever
 2 had occasion to give advice on the purported purchase
 3 of solar lenses that were used in alternative energy
 4 systems?
 5 MR. BENSON: Same objection to the extent
 6 it relates to the representation of the former
 7 clients we've discussed.
 8 THE WITNESS: On advice from counsel, I
 9 will not answer the question.
 10 Q. (BY MR. MORAN) Mr. Oveson, if a client --
 11 withdrawn.
 12 You testified earlier about sometimes you
 13 would do tax consulting where you would give advice
 14 to a client based on a prospective transaction. Do
 15 you recall that testimony?
 16 **A. Yes, I do.**
 17 Q. Okay. When a client -- generally
 18 speaking, when a client comes to you and wants your
 19 advice on a prospective transaction, what types of
 20 information do you ask for?
 21 **A. Well, we'll ask for, really, what the**
 22 **transaction involves. We'll ask for any documents**
 23 **they may have. A lot of the work that we did where**
 24 **it was on like-kind exchanges, so we would be asking**
 25 **for real estate, earnest money agreements. We would**

36

1 **be asking for any information pertaining to the**
 2 **transaction, just what it is they were planning to do**
 3 **and how they want to do it.**
 4 **And then we would take that information**
 5 **and review it, research whatever tax laws were**
 6 **applicable, and then we would contact them and tell**
 7 **them what our findings were.**
 8 Q. To what extent would you verify the
 9 information the client gave you?
 10 **A. I guess it depended on the information.**
 11 **And it would depend on the client. Some clients we**
 12 **knew very well and felt we could trust the**
 13 **information they were giving to us.**
 14 **Others that might be new, we would do a**
 15 **review.**
 16 **Also, in our firm we had a client**
 17 **acceptance committee which reviewed any new clients.**
 18 **So if this were a new client coming in, the client**
 19 **acceptance committee would have to review the client.**
 20 **Sometimes we would do a background check. We would**
 21 **do Internet searches such as that. And so the client**
 22 **acceptance committee would have to approve us working**
 23 **on a new client if it were a new client.**
 24 Q. Why would -- withdrawn.
 25 To the extent you did verify the

37

1 information that a client gave you, why would you be
 2 verifying it?
 3 **A. Just to make sure that it was correct and**
 4 **complete, that there wasn't something that wasn't --**
 5 **that was missing. That would be the reason.**
 6 Q. What would happen if you didn't do that
 7 verification?
 8 MR. AUSTIN: Objection. Calls for
 9 speculation.
 10 MR. BENSON: You can answer.
 11 THE WITNESS: If we didn't do that, we
 12 would run the possibility of missing something. We
 13 could -- and give an incorrect answer in not knowing
 14 all the facts, and we would -- could give the counsel
 15 that is not correct. And we needed to know really
 16 what it was they were planning to do.
 17 Tax law is fairly complicated, and one
 18 person would look at one thing one way and another
 19 way, and we -- we wanted to make sure that we had the
 20 correct answer. And tax law is such that everything
 21 depends on definitions. And, unfortunately, the
 22 definitions in the tax code are not always the same
 23 from one code section to another. And so when it
 24 came to -- that we wanted to make sure that what we
 25 were -- what we were giving advice on was really the

38	<p>1 correct issue and that we were giving a correct 2 answer to that.</p> <p>3 Q. (BY MR. MORAN) And if you didn't 4 receive -- if the client didn't give you correct 5 information, is it possible that the information you 6 give would be erroneous?</p> <p>7 A. If we didn't have complete information, we 8 generally wouldn't even have issued a counsel. But, 9 yeah, if the information that they gave us was 10 incorrect, then the counsel we gave could be 11 incorrect also.</p> <p>12 Q. Mr. Oveson, would you -- if you were going 13 to give advice on a prospective transaction, would 14 the firm do an engagement letter?</p> <p>15 A. Generally, yes. Not always.</p> <p>16 Q. When would you give an engagement letter, 17 and the second part of the question is, when wouldn't 18 you give an engagement letter?</p> <p>19 MR. AUSTIN: Objection. Calls for 20 speculation.</p> <p>21 MR. BENSON: You can answer.</p> <p>22 THE WITNESS: Okay. We would issue an 23 engagement letter if it was a new client that was 24 coming in and that we were doing. Generally, we 25 would not do an engagement letter if it were a</p>	40	<p>1 clients each year, we would send out a letter telling 2 them it was time to do their tax return. We would 3 send an organizer that had their information from 4 last year, asking them for their information for this 5 year, and included with that would be an engagement 6 letter that we would ask them to sign and return to 7 us.</p> <p>8 Q. Do you recall why the AICPA recommended 9 that you start issuing engagement letters?</p> <p>10 A. I don't want to be flippant, but I think 11 it's probably because the attorneys advised them to 12 do that, so...</p> <p>13 Q. Okay. And just so the record is clear, 14 what is the AICPA?</p> <p>15 A. Oh, excuse me. The American Institute of 16 Certified Public Accountants.</p> <p>17 Q. What is the American Institute of 18 Certified Public Accountants?</p> <p>19 A. It's just -- it's an industry group, I 20 guess. Most certified public accountants in public 21 practice are members. It's not a requirement. You 22 do not have to be a member of the American Institute 23 of Certified Public Accountants. But it is a group 24 that we rely on for counsel, for guidance. It is a 25 national.</p>
39	<p>1 continuing client that would -- someone that we had 2 worked with on a long-term basis, so we were fairly 3 knowledgeable about them and felt -- felt a trust in 4 them.</p> <p>5 Engagement letters, in the accounting 6 world, have become more and more prevalent over the 7 last few years. And so in -- now we're issuing 8 engagement letters -- really, on tax returns, we 9 issue an engagement letter every year to clients. In 10 previous years we may not have done that.</p> <p>11 Q. (BY MR. MORAN) Do you recall when you 12 started issuing engagement letters for tax returns? 13 Withdrawn.</p> <p>14 Do you recall when you started giving 15 engagement letters for tax return preparation?</p> <p>16 A. Probably 2006, 2007, possibly. It may 17 have been later than that. I don't recall. We -- 18 it -- around that period.</p> <p>19 Q. Why did the firm start issuing engagement 20 letters more often?</p> <p>21 A. Mostly on advice from the American 22 Institute of Certified Public Accountants and other 23 professional groups advised us that it was good for 24 us to do that. So we did start to do that.</p> <p>25 So when we would send out a letter to</p>	41	<p>1 There is also a Utah Association of 2 Certified Public Accountants, the UACPA. We were 3 also members of that. And, again, it's a group that 4 is there to kind of advise us of things that are 5 going on that we should be aware of and give of us 6 counsel as to how these things should be done. 7 That's what it is.</p> <p>8 Q. Okay. Earlier you testified that in some 9 situations, I think with established clients was your 10 testimony, the firm wouldn't issue an engagement 11 letter. Do you recall that testimony?</p> <p>12 A. I do.</p> <p>13 Q. Okay. Can you expound upon why no 14 engagement letter would be required with those types 15 of clients?</p> <p>16 A. Okay. Engagement letters, technically, in 17 the accounting world, are not required for anything 18 other than an audit client. However, we're advised 19 to get those for accounting and for tax clients. 20 And, again, since the AICPA began recommending that, 21 our firm had established a practice of getting 22 engagement letters, and we would do those annually 23 for both accounting clients and tax clients. We 24 actually started doing that on a pretty regular 25 basis, but there were times when if a -- if a client</p>

<p style="text-align: right;">42</p> <p>1 did not return an engagement letter, and we knew the 2 client well enough, that we'd -- we didn't require 3 that. But we did seek to get engagement letters on 4 every engagement. 5 When I left the firm in 2014, it was part 6 of the tax checklist, I guess, to have an engagement 7 letter, and if we didn't have it, we would send out a 8 new one to the client and ask them to -- to do that. 9 But that was -- more emphasis was placed on it at the 10 end of my career than at the beginning of my career. 11 Q. What do you mean by the term -- by the 12 phrase "knew the client well enough"? 13 A. Mainly, just that we had worked with them 14 for a long time. We had clients -- I had clients 15 that were with me actually for 35 years, and I had 16 been working with them for a long time. And a number 17 of clients we -- we did not have a lot of client 18 turnover. The clients that we had, we maintained. 19 And so a lot of the clients, we worked with them for 20 10, 15, 20, even 30, 35 years. And so we had worked 21 with them long enough to have developed a 22 relationship of trust with them. 23 Q. You just used the term "trust." 24 A. Okay. 25 Q. Is it fair to say that you -- if you</p>	<p style="text-align: right;">44</p> <p>1 R. Gregory Shepard before the IRS? 2 MR. BENSON: Same objection. Same 3 instruction. 4 THE WITNESS: Based on advice from 5 counsel, I won't answer that question. 6 Q. (BY MR. MORAN) Have you ever represented 7 International Automated Systems before the IRS? 8 MR. BENSON: Same objection. Same 9 instruction. 10 THE WITNESS: Based on advice from 11 counsel, I will not answer that question. 12 Q. (BY MR. MORAN) Have you ever represented 13 RaPower3 before the IRS? 14 MR. BENSON: If you haven't represented 15 them at all, you can answer. 16 THE WITNESS: No. 17 Q. (BY MR. MORAN) Have you ever represented 18 Neldon Johnson before the IRS? 19 MR. BENSON: Same objection. Same 20 instruction. 21 THE WITNESS: Based on advice from 22 counsel, I will not answer that question. 23 Q. (BY MR. MORAN) Mr. Oveson, has Mantyla 24 McReynolds ever represented R. Gregory Shepard before 25 the IRS?</p>
<p style="text-align: right;">43</p> <p>1 trusted a client, you were -- the engagement letter 2 wasn't necessary? 3 A. No, I wouldn't say that. It wasn't -- we 4 did give engagement letters to all the clients. 5 Again, that was -- the emphasis was mainly towards 6 the end of my career than in the beginning. But it 7 would happen -- if we did not get an engagement 8 letter back from a client, for example, and it was -- 9 the filing deadline was there and we did not have the 10 engagement letter, we would go ahead and file the 11 return. But then we would still seek to get the 12 engagement letter even after that. 13 MR. MORAN: Okay. All right. Mr. Oveson, 14 we've been going for an hour. How does everybody 15 feel about a break? 16 MR. BENSON: I feel great about a break. 17 (A break was taken from 10:03 a.m. to 18 10:13 a.m.) 19 MR. MORAN: Back on the record. 20 Q. Mr. Oveson, we are back on the record 21 after a ten-minute break. 22 During the break did you discuss the facts 23 of this case with anyone? 24 A. No, I did not. 25 Q. Same 2 instruction. 3 THE WITNESS: Based on advice from 4 counsel, I will not answer. 5 Q. (BY MR. MORAN) Mr. Oveson, has Mantyla 6 McReynolds ever represented RaPower3 before the IRS? 7 MR. BENSON: You can go ahead and answer 8 that. 9 THE WITNESS: Not that I'm aware of. 10 Q. (BY MR. MORAN) Has Mantyla McReynolds 11 ever represented Neldon Johnson before the IRS? 12 MR. BENSON: Same objection. Same 13 instruction. 14 THE WITNESS: Based on advice from 15 counsel, I will not answer that question. 16 Q. (BY MR. Same 19 instruction. 20 THE WITNESS: Based on advice from 21 counsel, I will not answer that question. 22 Q. (BY MR. MORAN) Okay. Mr. Oveson, I 23 direct your attention to what we previously marked as 24 Plaintiff's Exhibit 372. Do you recognize 25 Plaintiff's Exhibit 372?</p>

50	<p>1 MR. But go ahead.</p> <p>7 MR. BENSON: My objection is the same that</p> <p>8 I've made earlier.</p> <p>9 MR. That e-mail is dated</p> <p>8 August 25th, 2009, at 11:10 a.m. It appears to be an</p> <p>9 e-mail from Greg Shepard to you. Again, there is a</p> <p>10 reference to a conference call. My question to you</p> <p>11 is, are you familiar with the conference call that's</p> <p>12 referred to here?</p> <p>13 MR. BENSON: Same objection. This document purports 12 to be an e-mail which looks to me like does have 13 communications not pertinent to my client's 14 representation. This objection doesn't necessarily 15 concern that. But as to the -- I guess the start of 16 the string e-mail, I would object to the 17 admissibility of the document and I would instruct 18 the witness not to offer testimony describing the 19 nature of those potentially confidential 20 communications.</p> <p>21 MR. 59

1 reconfirm, that is your e-mail address?
 2 **A. Yes, it is.**
 3 Q. Okay. That's an e-mail that was sent
 4 November 23rd, 2009, at 9:05. It appears to be that.
 5 That e-mail is to Preston Olsen.

 12 Q. (BY MR. MORAN) Mr. Oveson, in the e-mail
 13 dated November 23rd, 2009, your e-mail states, "We
 14 are no longer working with Greg Shepard on this

 16 Do you see that sentence?
 17 **A. Yes.**
 18 Q. Which program are you referring to?
 19 MR. BENSON: Same objection. Same
 20 instruction.
 21 THE WITNESS: Based on advice from
 22 counsel, I won't answer.
 23 Q. (BY MR. MORAN) Why weren't you working
 24 with Greg Shepard on that program?
 25 MR. BENSON: Same objection. Same

 18 MR. BENSON: Same objection. Same

 22 Q. (BY MR. MORAN) For the record,
 23 Plaintiff's Exhibit 376 is a document which has been

 25 document was produced by Mantyla McReynolds.

61

1 Mr. Oveson, Plaintiff's Exhibit 376
 2 appears to be an invoice from Mantyla McReynolds to
 3 Bigger Faster Stronger, and refers to professional
 4 services, including research, active participation in
 5 solar energy company.
 6 Did I read that correctly?
 7 **A. Yes.**
 8 Q. What research did Mantyla McReynolds do
 9 for Bigger Faster Stronger that was related to a
 10 solar energy company?
 11 MR. BENSON: Same objection. Same
 12 instruction.
 13 THE WITNESS: Based on advice from
 14 counsel, I will not answer.
 15 Q. (BY MR. MORAN) Mr. Oveson, in the summary

 24 Q. What's on the second page?
 25 MR. BENSON: Same objection. Same

And it says, "Staff, DDM."</p> <p>11 Do you see that?</p> <p>12 A. Yes.</p> <p>13 Q. Who is DDM?</p> <p>14 MR. BENSON: Same objection. Same</p> <p>15 instruction, to the extent it relates to this</p> <p>16 invoice. If you know of DDM otherwise, not related</p> <p>17 to this representation, I'll instruct you to answer</p> <p>18 his question.</p> <p>19 THE WITNESS: Based on advice from</p> <p>20 counsel, I will not answer.</p> <p>21 Q. Do you see that line? 9 A. Yes. 10 Q. In the comment section it says, "Bill: 11 Includes prep time for meeting to review solar energy 12 credit info which was effective 10-3-08 and extended 13 through 12-31-15." 14 Do you know which client this refers to? 15 MR. BENSON: Same objection. Same 16 instruction. 17 THE WITNESS: Based on advice from 18 counsel, I will not answer. 19 Q. (BY MR. MORAN) Direct your attention to 20 the last line item on page 4408. The comment section 21 says, "Bill: Discuss solar energy credit with Don 22 and Ken." 23 Who is Don? 24 MR. BENSON: Same objection.
