Attorneys for Non-Party Todd Anderson

IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF UTAH
CENTRAL DIVISION

<p>UNITED STATES OF AMERICA,</p> <p style="text-align: center;">Plaintiff, Counterclaim Defendant</p> <p>v.</p> <p>RAPOWER-3, LLC, et al.,</p> <p style="text-align: center;">Defendant.</p>	<p style="text-align: center;">DECLARATION OF TODD ANDERSON</p> <p style="text-align: center;">Case No.: 2:15-cv-00828-DN-EJF</p>
--	---

I, Todd Anderson, state and declare as follows:

1. I am a licensed attorney with the Utah State Bar in good standing, am competent to provide the testimony set forth in this declaration, and have personal knowledge of the facts set forth herein. I reserve the right to correct any inadvertent mistakes or errors set forth.
2. Jessica Anderson, my wife, is also a licensed attorney with the Utah State Bar in good standing.
3. Both my wife and I have received a subpoena to testify in the above-captioned case. The subpoena indicates that Jessica and I should appear at 8:00 am on April 2, 2018. It is my understanding that this is to be the first day of trial in a multi-day trial.
4. My wife and I run a small law practice in Delta, Utah, where we also live with our

four children, who are between the ages of two and seven. Delta is over 100 miles from the court.

5. Our practice serves legal needs for rural communities in Utah. It is also our only employment and source of income.

6. I believe we will have to depart from home at approximately 5:00 am to reach the courthouse. Assuming a departure at 5:00 pm, I believe we would arrive at home at approximately 8:00 pm.

7. Jessica works as a lawyer in the practice on a part time basis billing approximately two hours per day.

8. I work as a lawyer in the practice on a full-time basis.

9. I expect that neither Jessica nor I will be able to work on matters for clients while traveling, testifying, and waiting to testify.

10. The typical hourly rate charged for both Jessica and myself is \$200.00.

I declare under criminal penalty of the State of Utah that the foregoing is true and correct.

DATED this 16th day of March, 2018

Todd Anderson
