
IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH

UNITED STATES OF AMERICA,

Plaintiff,

v.

RAPOWER-3, LLC; INTERNATIONAL
AUTOMATED SYSTEMS, INC.; LTBI,
LLC; R. GREGORY SHEPARD; and
NELSON JOHNSON,

Defendants.

TAXATION OF COSTS

Case No. 2:15-CV-828 DN

Judgment was entered in favor of Plaintiff on October 4, 2018. Plaintiff filed its Bill of Costs on October 18, 2018. Defendants did not respond and the time for doing so has expired.¹

Plaintiff seeks \$49,823.01 related to obtaining certain transcripts. 28 U.S.C. § 1920(2) provides that the Clerk may tax costs “for printed or electronically recorded transcripts necessarily obtained for use in the case.” The Clerk finds that Plaintiff has adequately demonstrated that the transcripts were necessarily obtained. Therefore, the Clerk will allow this cost. However, the invoice for the Site Inspection contains fees for mileage and hotel costs and certain other invoices contain fees for “Processing/Repository.” Plaintiff has failed to demonstrate these fees are taxable. Therefore, the Clerk will reduce the requested amount by \$682.48.

Total costs allowed are \$49,140.53 and are included in the Judgment.

¹ Any objection to a Bill of Costs must be filed within fourteen days. DUCivR 54-2(d)(2).

DATED this 7th day of November, 2018.

D. MARK JONES, CLERK

By: 

Anne W. Morgan, Chief Deputy
