These people are evading. The agent has tried the address and no luck getting it served.
See the attached for many more details of her attempts. Too much to type in an email.
The agent is planning to attempt again tomorrow.

Thanks,
Mike

Mike,

Sorry to bother you again. Our attorney was hoping to give the receiver an update on service for the Johnsons today. Was the server able to go to that Payson address yet?

Mike,

Can we please try the address at 11404 S 5825 West Payson, UT next? Our attorney said he found that address under Glenda's name. We will try 1045 South 1700 West #132 if no luck at that address.

Thank you!

Hi Natalie,

The address in Oasis turns out to be vacant. So non-serve there. The field agent get around Utah County a lot and reported the following. We will need to charge our fee for continued attempts in Payson. Please advise. We can check the plate number for our usual skip fee. Please advise.

The field agent...

Found an address in Payson that had a mini van just like the one she's seen Neldon drive in the past. Address: Ridgestone Condos - 1045 South 1700 West #132 - Payson, UT.

No one answered the door last night when she attempted. Agent left a business card on the van and on the door. Agent also tried calling a number that might be his. No answer.

Silver Town & Country mini van - C05 0GH

There is another address agent just found also in Payson. 11404 South 5825 West Payson,

UT

Asking around, people haven't seen Neldon or his wife around Delta/Oasis recently. My parents saw them a few months ago in Payson.

Thanks,
Mike

Did you happen to find additional information for their current address? We have a Deposition Subpoena for each that we'd like to have served at the same time as the other subpoenas. Would that be a problem to include those? We're of course willing to pay any extra costs. We might need to make some changes to one of the subpoenas so if you're willing to serve all four documents to them tomorrow, could we send the additional documents to you tomorrow?

Yes, we won't start until Friday. We looked up our records and spoke with our field agent and we will have additional address information for you later today.

We believe the subjects do not reside at the provided address any longer. We are doing some checking and will let you know for sure.
