**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF UTAH**

UNITED STATES OF AMERICA,

Plaintiff,

vs.

NOTICE OF TOLLING

Case No. 2:15-cv-00828-DN

RA-POWER 3, INTENATIONAL
AUTOMATED SYSTEMS, INC; LTB1, LLC;
R. GREGORY SHEPARD; AND NELDON
JOHNSON,

Defendants.

Plaintiff, Neldon P. Johnson, appears Pro Se, and hereby provides the following Notice of Tolling, or a stay of any further proceedings in this case, as follows:

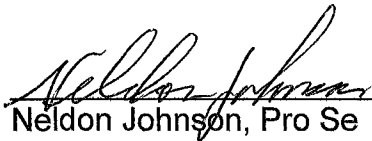

1. The 10th Circuit Court of Appeals has issued an Order tolling anything further in this case because of my pending appeal that will make all further proceedings in this case unnecessary.
2. A copy of the Order tolling this case is attached to this Notice.
3. Because the government is required to make further filings in the 10th Circuit Court, the appeal is clearly not tolled or stayed, and therefore the tolling is applicable only to the proceedings in this court.

4. Although further proceedings are tolled, I have filed a declaration as required at the same time as I file this notice, and do so to be cautious and prevent any accusation that I am trying to delay this matter.

5. I am not responsible for any delay, but the 10th Circuit Court is responsible.

6. I do believe it is a waste of resources to continue to destroy my property while this case is likely to be changed by the decision of the appeal court.
