Case No. 2:15-cv-00828 (D. Utah) (Nuffer, J.) (the “Civil Enforcement Case”), hereby files this Complaint against Plaskolite, Inc. (“Plaskolite”).

### **STATEMENT OF THE CASE**

1. Receivership Defendants were operated as an abusive tax fraud.<sup>3</sup> The United States alleged, and the Court found, among other things, that the Receivership Defendants operated a massive tax fraud.<sup>4</sup> Under this fraudulent scheme, Plaskolite received, directly or indirectly, \$512,594.38 from Receivership Entities after Plaskolite received a subpoena from the U.S. Department of Justice requesting information concerning Plaskolite’s connection with the solar energy fraud. These transfers to Plaskolite were in furtherance of the massive tax fraud and without any legally recognized value for the transferred money. The Receiver seeks to recover, for the benefit of the Receivership Estate, the amounts improperly transferred to Plaskolite.

### **PARTIES, JURISDICTION AND VENUE**

2. Pursuant to a Receivership Order entered on October 31, 2018 in the Civil Enforcement Case (the “Receivership Order”),<sup>5</sup> Plaintiff is the duly-appointed Receiver for Receivership Entities.<sup>6</sup>

3. Upon information and belief, Plaskolite is corporation with its principal place of business in the State of Ohio.

<sup>3</sup> See *Findings of Fact and Conclusions of Law*, Civil Enforcement Case, [Docket No. 467](#), at 1 (“FFCL”), filed Oct. 4, 2018.

<sup>4</sup> *Amended and Restated Judgment*, Civil Enforcement Case, [Docket No. 507](#), filed Nov. 13, 2018; see also FFCL. The Receivership Defendants have filed notices of appeal, which are pending.

<sup>5</sup> Civil Enforcement Case, [Docket No. 490](#). A Corrected Receivership Order, which corrected formatting errors, was entered the next day, [Docket No. 491](#).

<sup>6</sup> Civil Enforcement Case, [Docket No. 636](#). The assets of 12 of these affiliates had been frozen by the initial Receivership Order.

4. Jurisdiction is proper in this Court pursuant to 28 U.S.C. §1367 and 28 U.S.C. § 754.

5. Venue is proper in this Court pursuant to 28 U.S.C. § 754 and 28 U.S.C. § 1391(b).

**FACTS**  
**The Abusive Tax Scheme**

6. As the Court found in the Civil Enforcement Case: “For more than ten years, the Receivership Defendants promoted an abusive tax scheme centered on purported solar energy technology featuring ‘solar lenses’ to customers across the United States. But the solar lenses were only the cover story for what the Receivership Defendants were really selling: unlawful tax deductions and credits.”<sup>7</sup>

7. Receivership Defendants sold solar lenses emphasizing their purported tax benefits. Customers were told that they could “zero out” their federal income tax liability by buying enough solar lenses and claiming both a depreciation deduction and solar energy tax credit for the lenses.

8. The purported solar energy solar technology and solar lenses, however, did not work and could not generate energy.

9. Specifically, the Court found that the “purported solar energy technology is not now, has never been, and never will be a commercial grade solar energy system that converts sunlight into electrical power or other useful energy” and “[t]he solar lenses do not, either on

their own or in conjunction with other components, use solar energy to generate marketable electricity.”<sup>8</sup>

10. Notwithstanding the fact the solar lenses and technology never worked, Receivership Defendants continued to sell solar lenses to customers emphasizing that customers would qualify for depreciation deductions and/or the solar energy tax credit.

11. Between 45,205 and 49,415 solar lenses were sold to customers.<sup>9</sup> Receivership Defendants’ own transaction documents and testimony at trial showed that the gross receipts received by Receivership Defendants were at least \$32,796,196 and possibly much more.<sup>10</sup>

12. These lens sales constituted a massive tax fraud.<sup>11</sup> None of these solar lenses ever met the necessary elements to qualify for depreciation deductions or the solar energy tax credit.

13. Indeed, “[h]undreds, if not thousands” of customer lenses were not even removed from the shipping pallets.<sup>12</sup>

14. Based on these facts and others, the Receivership Defendants were enjoined from promoting their abusive solar energy scheme, were ordered to disgorge their gross receipts, and were required to turn over their assets and business operations to the Receiver.<sup>13</sup>

15. The Court held that the “whole purpose of . . . the Receivership Entities . . . was to perpetuate a fraud to enable funding for Neldon Johnson. The same is true for other entities
