By submitting this registration form, applicant agrees to the following:

- A. Federal Rule of Bankruptcy Procedure 9011 requires that every pleading, motion, and other paper (except lists, schedules, statements or amendments thereto) filed with the court be signed by at least one attorney of record or, if the party is not represented by an attorney, by the party. The unique user login and password issued to a Filing User identifies that person to the court each time he or she logs on to the ECF system. The use of a Filing User's login and password constitutes the signature of the Filing User for the purposes of Fed. R. Bankr. P. 9011 on any document or pleading filed electronically. Therefore, a Filing User must protect and secure the password issued by the court. After the password is issued by the court, Applicant agrees to change the password on a regular basis, or as needed, to ensure its security. Applicant agrees to immediately notify the clerk if misuse of a user login and password is suspected.
- B. By this registration, applicant agrees to adhere to the Local Rules dated December 1, 2012, and the ECF Protocols attached thereto, including Local Rules 2090-1 and 5005-2.
- C. Applicant expressly consents to the electronic service of pleadings and other papers as set forth in Subsections II(C)(1) and (2) of the ECF Protocols dated June 1, 2011, and any subsequent amendments thereto.
- D. Applicant expressly consents to receive notice and service of pleadings and other papers by electronic means from the court and other Filing Users in all cases. Applicant must maintain the accuracy of the configuration of his or her CM/ECF<sup>2</sup> Filing User account, including the above contact information, to ensure the receipt of electronic notice.
- E. Applicant agrees that this registration will be placed on record with the clerk's office for review by the court and all other Filing Users.
- F. Applicant agrees that prior to receiving a login and password to electronically file

documents, he or she must enroll in, and satisfactorily complete a CM/ECF Filing User Training program or received training from another court which is acceptable to the clerk.

- G. Applicant understands that originals of all electronically filed pleadings, affidavits, and other documents that contain original signatures or require verification under Fed. R. Bankr. P. 1008, or an unsworn declaration as provided in 28 U.S.C. § 1746, must be maintained by the party originating the document for 5 years after all time periods for appeals expire.
  
- H. Applicant understands that the court may revoke a Filing User's password and, therefore, his or her authority and ability to electronically file documents for cause, including failure to comply with any provisions of this agreement, failure to adequately protect his or her Filing User password, failure to comply with the provisions of Local Rules dated December 1, 2012, or the ECF Protocols attached thereto, failure to pay any fees required for documents electronically filed, or other misuse of the electronic case filing system.
