The United States gives notice that the following is being or has been provided to counsel for the defendant:

Description	Bates Numbers

The United States also hereby requests disclosure of evidence by the defendant (also known as reciprocal discovery) pursuant to Rule 16(b) of the Federal Rules of Criminal Procedure and DUCrimR 16-1(c). By providing Rule 16 discovery without requiring a specific request from the defense, the United States invokes a reciprocal obligation on the defendant under DUCrimR 16-1(c), which states that the defendant must allow the government to inspect and to copy the following, as further defined in Rule 16 of the Federal Rules of Criminal Procedure:

The United States requests that the defendant provide to the government at a reasonable time before trial, but no later than five working days before trial, copies of the material referenced in this paragraph. Further, the United States requests continuing compliance with the reciprocal discovery following the initial disclosure.

The United States also hereby requests all written and recorded statements by any witness other than the defendant whom the defendant intends to call at trial or a hearing covered by the Jencks Act or Rule 26.2 of the Federal Rules of Criminal Procedure.
